## FAQ'S

### How do I know how many tier credits I have?

Visit the Gaming Cashier at either Kedron-Wavell or The Sands Social, and our staff can advise your current tier credits. Tier Credits are sperate to M.O.R.E. points and can not be spent throughout the venue or exchanged for cash.

### When do I change tiers?

As soon as you reach the required tier credits for the next tier you will be upgraded within 24 hours and will be in that tier for the following quarter. To remain at that tier, you will need to achieve the required tier credits each quarter.

### How is my tier calculated?

Your status tier is determined by how many tier credits you earn in the three month period prior to our quarterly review. Our quarterly reviews occur on 1 January, 1 April, 1 July and 1 October. As an example, the tier review on 1 April would consider your tier credits from 1 January to 31 March.

### Will the program and its benefits change?

Yes. The program is reviewed annually, and minor changes can be made at any time.

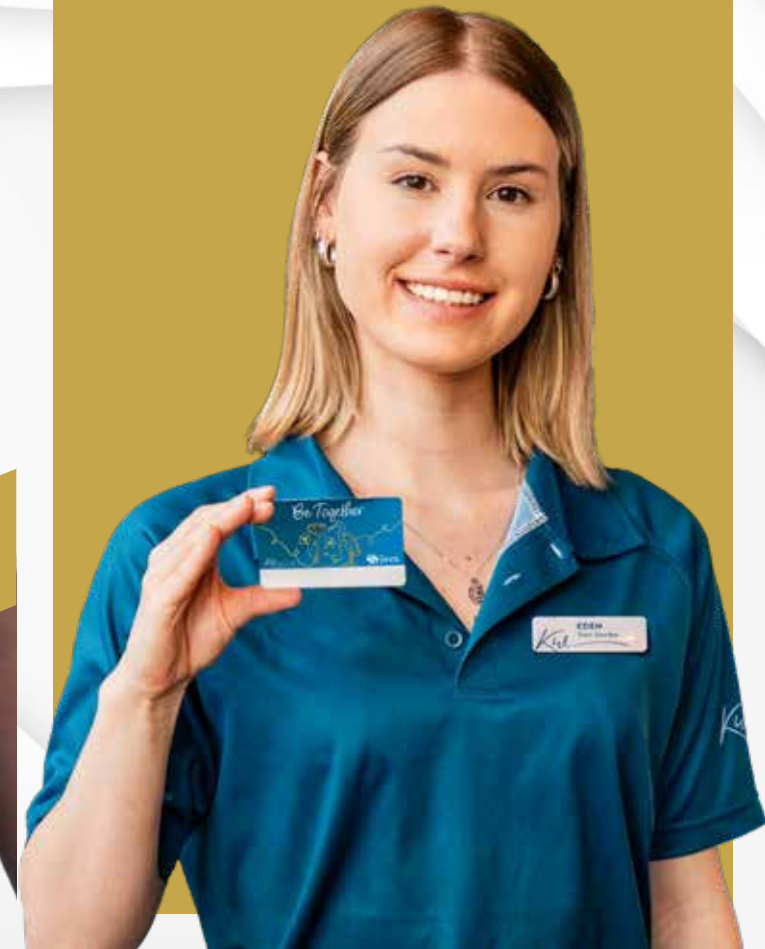

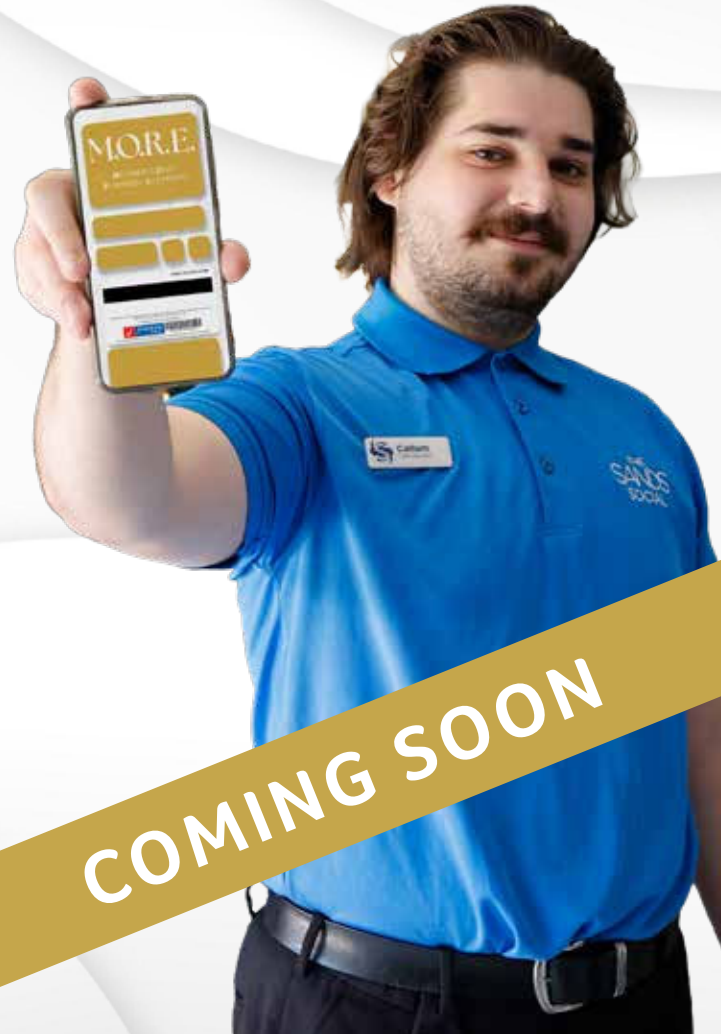

### Do I have to participate in the M.O.R.E. loyalty program?

All members are eligible to participate in the program, however you may opt out at any time. You will no longer receive point or tier credits or participate in any associated promotional activity. You will still have full access to the Club and be eligible for Member-only major promotions.
